RE: Steven Bradley Meli v. United States  
Civ No 20-2277 BRM

Dear Judge Martinotti,

I am reaching out to let the Court know I will be formally submitting a response to the Government's 17 page objection submitted today 7.9.20. I am sending this letter now because the mail takes forever in prison so I pray I get their response soon. The worry is I don't even get the Government's response by next Thursday 7.16.20 when my response is due. There is a good chance you might not even get this even though it was mailed Thursday 7.9.20. I will turn it around ASAP once I get it.

I will also try to Coordinate with my Attorney Bruce Throckmorton but seeing the Bop is an national lockdown that isn't easy either. I Am not making excuses or trying to delay anything but Just want to make sure the Court is aware of the Logistics nightmare.

I will need to respond because the public defender Mr. Throckmorton has no background to this case to be able to respond to the Governments Submission.

Thank you for your consideration in this matter

Respectfully Submitted
